

Thursday 12th November

Continents

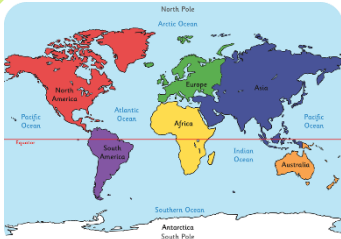

LC: Can I name the seven continents?

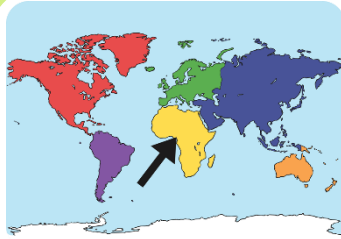

Tuesday
10th
November

The Seven
Continents
of the
World

Today we will be exploring the following:

world map

continent

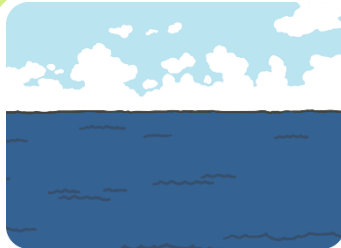

Northern Hemisphere

Southern Hemisphere

equator

ocean / sea

land

sphere
(round)

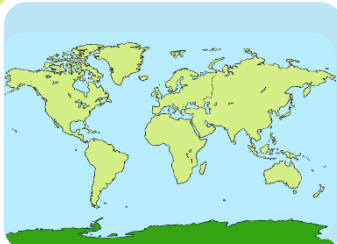

We know that there are now seven continents in our world after the Super continent split!

Does anyone know what their names are?

Continents

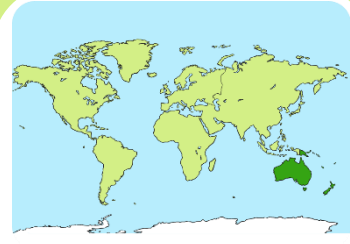

Africa

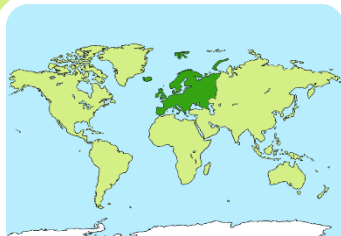

Antarctica

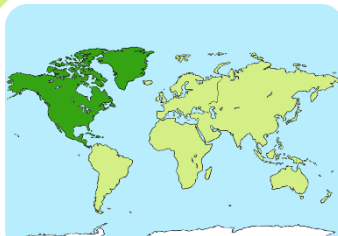

Asia

Australia

Europe

North
America

South
America

How much do we already know?

1

What is a continent?

2

Can you remember the names of continents of the world?

3

We live in the UK - What continent is the UK in?

Our Wonderful World

How can we remember the names of all of the continents?

We could remember a silly sentence!

E.G Eat An Apple After A Night-time Snack

Europe, Antarctica, Asia, Africa,
Australasia, North America and South
America

Or even better, we could learn my favourite song to help us to remember them!

Key Words - Oceans

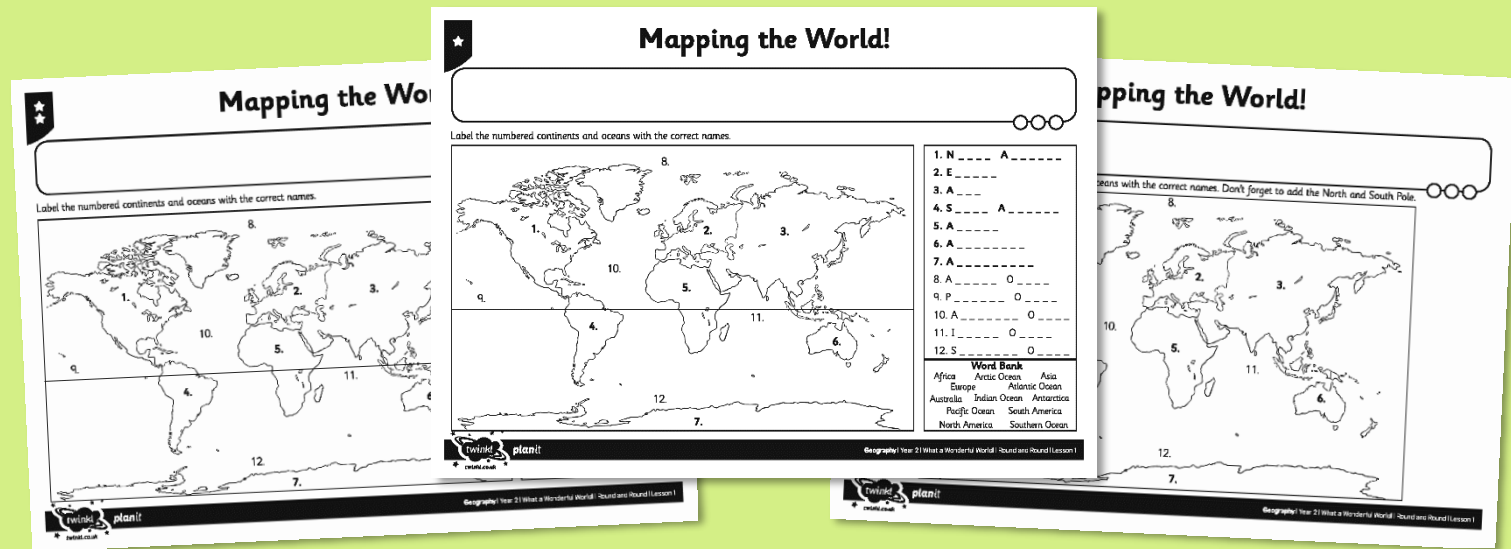

Mapping the World

Using an atlas, can you find, colour and label:

*The seven main continents

Challenge: Can you label the oceans using your atlas?

Extension Task
