Dear Parent/Carer,

As part of the National Healthy Child Programme, your child continues to be supported by the St Helens School Nursing teams (0-19+ service). In line with Government policy, we will be involving children and their families in deciding how we can best use our resources to keep them healthy.

This term we are asking all parents/carers alongside their Year 6 child, to complete a simple online questionnaire about their health and wellbeing,

A School Nurse will review the completed questionnaires and may contact you to talk about your responses in more detail.

A link to complete the questionnaire will be text to you, please note this will state it is from Wirral Community Health Care Trust; the St Helens 0-19 Service are part of this Trust. If you do not receive this text by the 24th January 2025 please contact our duty hub to update your contact details, we will then arrange for the link to be sent to you. Alternatively, if you prefer a paper copy or support in completing it then contact us via our duty hub or speak to your school.

The Trust's legal basis for collecting, using and storing information is to enable it to perform its public task in providing direct health care to its patients (and their carers where applicable).

If you would like further information on how the Trust handles and uses the information it collects, please see the Trust website www.wchc.nhs.uk.

If you have any concerns, please contact our duty hub, Monday to Friday 9am-5pm - 01744 411277.

Yours Sincerely

Victoria Bishop
