

Broad Oak Community Primary School Remote Learning Contract

Expectations of parents	Expectations of pupils	What the teacher will do
<p>Take an active interest in your child's learning. Take an interest in their learning and be on hand with help and support if this is needed. Establish a daily routine and schedule. Use the timetable provided to stick to a usual school timetable where possible. The expectations set out by the government are 3 hours learning at KS1 and 4 hours at KS2 (on average). Monitor your child's communication and devices.</p> <p>Maintain feedback with teachers. Keep in contact with your child's teacher to discuss your child's progress and feedback. Ensure learning devices are in a public space in the home.</p> <p>Monitor your child's wellbeing and mental health. Remote learning may mean that you child will not get the same level of interaction and might not see their friends for a while. Check on their wellbeing regularly and encourage them to get outdoors and exercise as much as they can. Look after your mental health and wellbeing Make sure to talk about how you are feeling with those who are close to you and keep in touch with your friends. Stay active!</p>	<p>Treat Remote Learning the same as Classroom Learning. Remember the same rules apply when learning from home.</p> <p>Try your best as we would expect in school.</p> <p>Try to sit at a table and find somewhere quiet to do your work. Try to act on feedback as you would in school to improve your work.</p> <p>Take regular screen breaks.</p> <p>Don't share passwords or other personal information. Keep log in or personal details safe and never share them with others.</p>	<p>Set work that is linked to the school's curriculum expectations. Work will be matched to what is planned in class. Provide encouragement and feedback. If teachers feel you need more help, then they will ensure you receive the support you need.</p> <p>Make daily contact daily via Seesaw.</p> <p>Contact parents and pupils who are not completing home learning to see if support is needed.</p> <p>Make learning meaningful and fun as always! They will consider your mental health and wellbeing in your planning too. Provide up to 3 hours of learning for KS1 and up to 4 hours for KS2 pupils</p>

For any questions or queries speak to your child's class teacher on Wednesday or Friday when we call or call us. Send us an email on your child's year group address (insert year_):
